Introduction

Association Online Services allows agents to order Title Search products via SoftPro 360. The Association Online Services integration with SoftPro 360 provides users with the ability to seamlessly place orders for Association Online Services products and receive the results of those orders within SoftPro 360. Users will be able to submit an order, track the status of their requests and receive data/documents from Association Online Services all from within SoftPro 360.

Accessing

From the **360 Services** menu, double-click **Association Online Services** located under the **Title Services** folder. This will open the **Order Linking** screen:

- 1. Select the Services tab
- 2. Click the **Settlement Services** folder to expand
- Double-click Association Online Services

 Title Search

If the user does not have at least one buyer and one seller, the user will not be able to enter the integration.

Select a ProForm Order for Title Search

Each Search request must be linked to a ProForm Order. If a ProForm order already is open and Active, the Active order will automatically be linked to the request. If no Active order is open, enter the order number in the **Selected Order Number** field. Once the order is confirmed, click **OK**:

Welcome Screen

After the user enters the integration, a Welcome Screen displays.

If this check box is selected, the screen will no longer display for the user, and the user will be taken to the **Login** screen every time they open the integration.
